Summer Issue 36

7th July 2017

Dear Parents and Carers,

It has been an extremely hot week for us at the school. The children and Staff have coped well with the rising temperatures and we would like to say a big thank you for this. Thank you to the Parents for supplying your children with water bottles, hats and also sun cream.

We are really pleased to inform you that the assessments completed by the children in the school are showing improvements. The phonic results have improved from the 29% of pupils who passed in February, to 76% in June. This shows the hard work and dedication of pupils, parents and teachers. The Read, Write, Inc. scheme introduced has also helped to teach phonics systematically. We will be introducing this into Foundation Stage next year.

Unfortunately we have received a number of holiday requests for the last week of term. This will seriously affect our attendance figures and also prevents children participating in proper transition. We will be reviewing the requests on Monday and issuing penalty notices as our policy states on our school website.

We are in the process of reviewing our priorities next year and would be really interested in your feedback on areas you feel need to improve. Please either send these in to us via email or let us know in the playground. We will also be asking you to complete a parent questionnaire during the Open Evening on the 17th July.

Thank you again for your support.

Kind regards,

Miss Kelly Dillon
