

Freddie's Club

The Aims of the Club

To promote high standards of play for all members.

To ensure that all members strive to enjoy themselves.

To provide appropriate support for all children.

To provide a safe and secure working environment which is welcoming and offers inspiration.

To build good relationships between the club and the community.

To create an environment where parents and families feel that they can play a valuable part in the club.

To encourage members to be open, honest, caring and thoughtful.

To encourage all members of the club community to respect the rights and feelings of others.

To broaden the experiences of all members in their knowledge and understanding of the world and other cultures.

To give every child the opportunity to develop their physical and creative talents.

To offer opportunities for moral and spiritual development.

To recognise that children's needs are constantly changing and that this club is prepared to promote change for the better.
