

Dear Parents ,

The term is flying by and there are still so many exciting events left!

We are looking forward to the first of our two art galleries in the school this afternoon and we hope that as many parents as possible can come and view the art work. We are also busy preparing for our whole school Sports Day next Thursday. This proved to be a great day last year and we are sure that you and your family will have a brilliant time.

We are in the final stages of organising Teachers for September and will be able to send out the information in the newsletter next week. Some parents have expressed an interest in their child being with or away from another child or teacher. As you can imagine, this has the potential to become unmanageable and for that reason we will ask that you trust our judgement. The current class teachers are spending time carefully going through the list to make sure that there is a balance between boys and girls, children with specific learning difficulties, high attaining children and children who have English as an additional language. They will also heavily factor in any issues which have occurred throughout this year and last year in terms of behaviour. The children will meet their new teacher and find out which class they are in on the 16th July. They will spend each morning that week with their new class and we would expect you to allow your child to trial this period before raising concern. If you do have a concern about a child or class, please ensure that it relates to incidents which have occurred recently and not historically. We know that group dynamics change all the time and that an issue in one year may not transfer to all of the following years.

Finally, children in Year 5 took part in the Panini classroom challenge to celebrate the World Cup. We are very pleased to announce that 5Y's song entry as part of the open age category was shortlisted to the Regional finals and won the National competition. <http://www.esfa.co.uk/resources/?the-esfa-panini-classroom-challenge>

As a result the school will receive £1250 of vouchers to spend on sports equipment! Congratulations to Miss Young and her class for their entry which can be found on at the point of 4:22 : <https://www.youtube.com/watch?v=pzUWike6ZM0>

Kind regards,

Miss Kelly Dillon
